Arrival and Initial Impressions

Landing in Kathmandu, the city's vibrant chaos was immediately evident—buzzing streets, colorful prayer flags fluttering, and the aroma of incense and spices permeating the air. My first few days were spent acclimatizing, adjusting to the altitude, and exploring UNESCO World Heritage sites like Durbar Square and Swayambhunath Stupa. These cultural explorations set a meaningful tone before heading into the mountains.

The Trek Begins: Lukla and the Gateway to the Himalayas

My trek officially started in Lukla, a small airport town often called the "Gateway to Everest." The flight from Kathmandu was a thrilling adventure, with a short, turbulence-filled landing on a strip nestled on a hillside. From Lukla, I joined a small group of trekkers, guided by experienced Sherpa guides and porters.

The initial trail was gentle, passing through lush rhododendron forests and quaint villages. The warmth of local hospitality was heartening—many villagers offered tea and a chance to learn about their daily lives. As we ascended, the landscape changed dramatically, from subtropical forests to alpine terrain.
